If you have ever wondered what it would be like to be in a rock band, then this camp is for you! Even if you have never played an instrument before, we will teach you the basics in just three days, and you will be able to play a song. Fill out the registration form and mail to the address below, call us with questions, or check us out online.

The Okoboji Rock & Roll Day Camp is for musicians of all levels from ages 7 to 18. Rockers will register for one of the following clinics: guitar, drums, bass, keyboard, or band vocals. While working with their clinic, bands will also be formed. This is for the Camp Concert on the final day when bands will perform - live! There will also be large group clinics focusing on rhythm and musicianship. Professional musicians come in to lead the clinics and bands, all of whom have recording and touring experience and are excited to pass their expertise.

The Camp and Concert will be located at Good News Community Church in Okoboji, IA. We appreciate the use of their classrooms and stage for the camp. Good News is located at 1010 Julia Street. Turn west at the Kum-n-Go stoplight (Sanborn Ave.) and it will be two blocks on your left.
